

## **Killalea Reserve Enhancement Project - Register Now for Next Week's Community Consultation Sessions**

**Reflections Holiday Parks is calling on the Shellharbour and surrounding communities to have their say during face-to-face consultation sessions on the Killalea Reserve and camping ground's Enhancement Project scheduled from Tuesday 27<sup>th</sup> April 2021.**

Reflections is in the early stages of planning for some enhancements within the Reserve and Camping Ground, which includes upgrades to walking paths, signage and wayfinding, a nature playground and nature-based fitness equipment, new eco cabins, a multifunction community facility for events and improved public amenities.

Acting CEO Cameron Tynan said next week was a perfect opportunity for people to provide Reflections with their feedback on the proposed project, along with building a greater understanding of exactly what the project aims to achieve.

"We want to make Killalea Reserve sustainable into the future so that local communities and visitors to the Reserve can enjoy it for generations to come," Mr. Tynan said.

"We have scheduled day and evening sessions with a large room capacity to allow people greater opportunities to attend, so we urge people to register and be a part of the community conversations we are having.

"Killalea Reserve is a much-loved community asset and our team is looking forward to the discussions next week."

### **About Reflections Holiday Parks**

Reflections manages the operations of 37 holiday parks and 22 community reserves on Crown land throughout NSW. Formed in 2013 to consolidate the operations of 28 coastal and nine inland holiday parks and reserves located on Crown land throughout NSW, the Group incorporated three holiday park brands, (North Coast Holiday Parks, South Coast Holiday Parks and Inland Waters Holiday Parks), under its corporate banner, NSW Crown Holiday Parks Trust.

Rebranded to Reflections Holiday Parks in February 2018, the Group brings its 37 holiday and 22 community parks on Crown land under the one unified banner. The group reinvests its surplus funds across all its holiday and community parks, so visitors and regional communities can keep enjoying these pristine locations. The vision of Reflections Holiday Parks is to inspire all who visit.
